

REBOOT CARTRIDGE

REBOOT カートリッジ

Scroll down to see English instruction. / 裏書き

This product can be used as cartridge of DC360 Diffuser sold separately.

In case a translucent film remains, remove it

CAUTIONS

*Do not eat.

*Avoid contact with skin and eyes.

*Keep away from the fire.

*Keep out of reach of children and pets.

*If swallowed, seek medical advice immediately.

*Avoid contact with skin and eyes. In case of contact, rinse effected area thoroughly with water.

*If you are feeling unwell while using the product, immediately stop using the product and rest in an well-ventilated area. In case your condition is not improving, seek medical advice.

- Do not use for any purpose other than specified usage.
- Place the unit where it will not interfere with driver, air bag and safety.
- In order to prevent damage due to spilling or leakage, do not place the unit on materials such as fabric, flock, polyurethane, etc.
- If a leak occurs, clean up immediately; otherwise the contents may cause staining, crack or other problems.
- Due to the properties of the ingredients, it is normal for the color of the tablet to change. It does not cause any problems for use.

INSTRUCTION

1. Take off the cap and remove the inner-seal.

*In case a translucent film remains, remove it.

2. Replace the cap.

3. Select a flat surface with no angle, wipe the surface with a clean wet cloth, and dry the area completely before installing.

4.Place the product firmly on the surface with the double-sided tape provided.

When the scent gets thinner....

1. Take off the cap, turn over the tablet and set firmly.

2. Replace the cap.

*Wear protective gloves during the procedure.

*To use this product as a cartridge of DC360 Diffuser sold separately, see the instructions on the packaging of DC360 Diffuser.
